**LYDALE *Disaster Clean-up Shot!***

*Before Shot*

*At the Home Hardware Masters of Curling, Team Simmons is playing Kevin Martin in Draw 7 of the round robin. It is a 4-4 game in the 6<sup>th</sup> end of an 8 end game. Team Simmons has the hammer, but they are in trouble with Martin sitting one buried behind lots of cover. Pat Simmons has the hammer and it is the last rock of the end.*

**LYDALE *Disaster Clean-up Shot!***

*During Shot*

*Team Simmons plays a long, long angle run back with very little room for error. Pat throws it perfect and we hit it where we think it should be close – and it is perfect! We stick it and double two red shot rocks and spin one off one of our own in the back rings to count three!*
